August 7th-August 9th

# 'BEHIND THE SCENES' WORKSHOPS

For ages 7-11 years

This summer explore the essential, but unseen backstage roles that work together and with the director to create a piece of theatre.

## SET DESIGN

TUESDAY  
AUGUST 7TH  
10.30AM-12.30PM

The group will learn about the process a set designer goes through from creating a mood board, different staging ideas and lighting. They will each design a set for a scene from their favourite book, film or story and then create a 3D scale model in a model box.

## COSTUME DESIGN

WEDNESDAY  
AUGUST 8TH  
10.30AM-12.30PM

This workshop explores the role of a costume designer and what a costume says about a character by looking at a variety of famous costumes from famous films. The group will design a costume for a character and each create a mini version with fabric, paper and glue. No sewing skills needed!

## GORY STAGE MAKE-UP

THURSDAY  
AUGUST 9TH  
10.30AM-12.30PM

Stage make-up needs to be easy to find and cheap. Learn the behind the scenes secrets of theatrical gory make-up and a few disgusting special effects. Make cuts, bruises, eyeballs, blood, scabs, scars, sick and poo!
