# CURRICULUM TOPIC DANCE COURSES

Incorporating ideas from the students, DAZZLE can put together a unique routine inspired by the class topic. This is a great, creative, bonding experience for boys and girls in a class, year or study group. Dazzle has run many creative dance courses as part of primary schools PE curriculum. Recent course themes have included 999, Where The Wild Things Are, Frozen, Ballroom, Olympics Sports, Four Seasons, Nocturnal Animals, How to Train Your Dragon, Outer Space, Billy and the Minpins and Electricity. A fantastic compliment to the children's research and academic studies and a great way to show the children how to compile their own routine from any subject. These expressive dance courses can aim towards a presentation to the school, in an assembly or to parents.

*"I love working in schools because it brings opportunities to girls and boys who may never think about trying, or enjoy, a variety of different dance styles...the tango, bhangra, cheerleading or charleston! With no judging and grading, I aim to inspire the children's creativity and their uniqueness and to provide a safe place to try new things. Dance gives a chance to reach children who don't feel connected or needed. Dance is a different learning experience for children. It's physical, and it gives the students a mental break" Sarah Davis-Berry*

## PRODUCTION CHOREOGRAPHY

Working closely with small groups of dancers or rehearsing with the whole cast for a big finale number, DAZZLE can assist with the choreography rehearsals for a school production. This could be a one-off session, working with the teacher and videoed for reference, or a series of regular weekly sessions developing the choreography with the children leading up to the performances.

# EVENT CHOREOGRAPHY

- History project choreography- routines ranging from the 20's Charleston, 80's Hip-Hop, 70's Disco, 50's Rock n' Roll or the 60's Twist.
- School Flash Mob choreography - Working with the entire school, and teachers, on a routine to be performed during a school fair, street party or school celebration.
- Enrichment Week choreography - exploring Indian Bhangra, Latin Salsa and Tango or Paso Doble or Street Dance and Hip-Hop.
- End of term dance party - celebrate Christmas or the end of the school year with a school dance including a dance off and dance party games with a Dazzle twist!

*All of these courses can be tailored to fit in with a school's requirements and timetable. Please get in touch to discuss how Dazzle can get the children at your school dancing and active.*

*"Rhythm is born in all of us. All you have to do is be a good average dancer, and anybody who spends the time and effort can accomplish this."*
