DAZZLE SUMMER 2020 & COVID-19

We are delighted that the latest guidelines from the Department for Education has confirmed Dazzles clubs will be able to open, in a Covid-Secure way, for the Summer holidays.

We have been working hard to implement changes to our programme to allow us to operate safely within the current Public Health England parameters, whilst still ensuring the children in our care have as much FUN as possible.

Before you book, it is important you read and understand the below but please see the full Covid-19 Risk Assessment on the documents page on dazzleworkshops.co.uk covering all of the points in more detail.

*Government advice is to consider sending your child to the same, local setting consistently, in order to prevent your child from mixing with multiple different groups of children. Priority booking will be open for a short time to those parents who require the three full days in one week and a discount will be automatically applied if booking two or more siblings from the same household onto the same week.

*Our clubs will operate in a 'Covid Secure' way with greatly enhanced hygiene and cleaning routines, contactless booking, extra staff training and social distancing encouraged at all times. Our summer holiday clubs will run in a different way to normal, with an adapted programme of activities with the 'free play' impacted the most and a more structured schedule together as a group.

*Capacities will be reduced from normal levels to a maximum of 15 every day. We would advise you to book your sessions as soon as you know which dates you require in order to avoid disappointment

*The cost is temporarily higher than previous holiday club charges by £5 per day

*Parents will not be permitted inside the centre building when dropping off and collecting their children and will be required to wait outside, following the current socially distancing guidelines.

*Children will be required to use hand sanitiser as they enter and leave the building and the team will be checking hand washing after toilet breaks. Social distancing will be encouraged between the children and the team but during first aid and care of children, closer contact may be necessary.

*If your child is showing symptoms of Covid-19 such as a new consistent cough or a high temperature your child must not attend Dazzle and should self-isolate in accordance with government guidelines. A refund will not be offered unless with a minimum weeks notice of the booking or if a suitable replacement booking is found.

*If a child or member of staff shows signs of Covid-19 they will be sent home and advised to follow the stay at home guidelines. A parent or carer must be available to contact during the child's time at Dazzle. If a child, family or staff member develops Covid-19 all parents of children attending on the same day will be contacted and Dazzle will be unable to offer its clubs for at least 7 days.

*If you do choose to book now, we would like you to do so with full confidence. Please rest assured that if the Holiday Club or Dazzle Tots is unable to open due to a Covid-19 infection and we are unable to offer you the sessions that you have booked, we will provide you with a refund, for the full value of all sessions booked. A refund can only be offered with a weeks cancellation.

We hope that you and your families stay safe and well during this difficult time and look forward to seeing you and your children at our clubs soon!

A DAZZLE Holiday Club offers fun, active, creative days for children and every day is different. Each day includes a variety of structured activities including team sports, drama games, sustainable craft activities, yoga inspired games and silly fun.

Whatever your child enjoys there is something for them, as well as opportunities to try lots of new activities, develop new interests and skills within a caring and inclusive environment

The children are encouraged to join in with all of the activities but we want the children to feel at home, relax and hang out with their friends.

There is a team of enthusiastic, engaging team leaders ready to entertain, inspire and keep the kids active and happy.

We are very lucky to have the sole use of Minchinhampton Youth Centre with ample free parking for safer, easier drop off and collection. The green spaces and astro turf surrounding the centre offer more opportunities for outdoor activities. The centre building has a selection of areas including a full size sports hall allowing easier social distancing and cosy sofas for relaxing.

At Dazzle we are aiming towards plastic free with craft activities and equipment. Compost and recycling bins are used during snack and lunch breaks.

An example day at Holiday Club

At the Dazzle Holiday Club the ages and interests of the children and the weather can influence the activities but please see below an example timetable of the fun your child will have during a day at Holiday Club.

The Dazzle Summer Team

The Dazzle team for the summer holidays events have been chosen for many reasons. From their experience of working with children and Dazzle or because of their passion and practical workings within the arts or if they don't mind cleaning the toilets. But principally because they are engaging, inspiring, creative (and patient!) individuals who care about the children. All of the Dazzle team leaders attended Dazzle as children, became volunteer youth trainees before their promotion to team leaders and still love a bit of Dazzle in their lives. They are all familiar faces and a huge part of the children's experience at Dazzle.
